Pine Island Aquatics is gearing up for our first ever swim season and is looking for sponsors to help our swimmers achieve a high level of success. Enclosed you will find the sponsor information packet which outlines the different levels of support. The sponsorship will provide your business with visibility and positive brand recognition.

Pine Island Aquatics is the only competitive swim team in the Greater Pine Island area. Training takes place at the Pine Island Community Pool. We offer five different levels of competitive training programs with swimmers that range in age from five years old through senior year of high school. Our team is a proud member of USA Swimming and our swimmers compete in year-round competitions.

Our coaches are all USA Swimming certified. They commit their time, energy and resources to teach swimmers the rules of the sport, stroke mechanics, and a competitive philosophy involving personal accountability and sportsmanship, together with proper training and nutritional habits. Currently, our Head Coach and Assistant Coaches are volunteers, and our board of directors has strived to make this sport affordable to all families.

As a sponsor for Pine Island Aquatics, you will help support the mission of our program which is to instill a lifelong love of swimming through enjoyment and accomplishments at all levels.

We are committed to provide excellent and professional coaching to develop swimmers to the best of their abilities. We provide an atmosphere that inspires swimmers to achieve their maximum potential through a strong work ethic, discipline, self-motivation and self-esteem. Your sponsorship will allow the club to provide the resources necessary to sustain a high-level product while helping reduce the cost for our swimmers. Swimming can be an expensive sport with recurring costs such as equipment, travel and meet fees. Your sponsorship will help support Pine Island Aquatics with all the items noted above.

We appreciate your consideration and look forward to partnership with your organization. Thank you for your support of PINE ISLAND AQUATICS!

Sincerely,
